POINT BEACH NUCLEAR PLANT, UNITS 1 AND 2

Gentlemen:

Enclosed please find responses to the NRC letters of January 31, 1995 and Region III comments of April 4, 1995 and April 13, 1995.

Changes were made to PBNPSP C-2.0 and PBNPSP Figure "I" as discrepancies were found during our review.

A new firearms training and certification course is included revising our current training and qualification plan.

We have also included copies of numerous sections at the request of Region III to both Region III and Headquarters, along with an updated table of contents.

These changes are being submitted in accordance with the provisions outlined in Title 10 Code of Federal Regulations, Section 50.54(P).

Sincerely,

G. J. Maxfield
Manager-PBNP
