Saxton Nuclear Experimental Corporation
P. O. Box 99
Saxton, Pennsylvania 16678

Attention: Mr. C. R. Montgomery, General Manager

Gentlemen:

This letter relates to the discussion Messrs. F. J. Nolan and D. L. Caphton of this office held with you and Mr. R. F. Swift of your staff at the conclusion of the recent inspection. During that discussion an item noted during the inspection was brought to your attention. In particular, one of your licensed activities appears to be in noncompliance with AEC requirements. The item and references to the pertinent requirements are listed in paragraph 5 of the form AEC-592, attached.

We note that the apparent deficiency described in paragraph 5 of the form AEC-592, attached, was corrected by your letter to Dr. Peter A. Morris, Director, Division of Reactor Licensing dated November 27, 1968.

No further correspondence is required concerning this matter, however, should you have any questions you may communicate directly with this office.

Very truly yours,

Robert W. Kirkman
Director
