1 VOICE: I just don't see the [inaudible.]
2 VOICE: [Inaudible.] 95 JUN -6 P12:30 GPC EXHIBIT 30
3 JGA VOICE: It doesn't have to be in there AUFDENKAMPE EX. D
4 [inaudible.] OFFICE OF SECRETARY
5 Ship VOICE: I understand -- we -- our comment ^{WAS} would
6 change it from 16 pages to eight pages, and take out all
7 that emergency planning stuff that's not required.
8 [Inaudible.]
9 VOICE: [Inaudible.]
10 Am VOICE: Did you correct the diesel starts. I had
11 given John a comment on the diesel starts.
12 JGA VOICE: We have ^{There is} [inaudible] a comment in the PRB
13 [inaudible] ^{TD} either verify the sentence, reword the
14 sentence, or delete the sentence. ^{STET} ~~that's what we're~~
15 ~~actually doing~~ ^{STET} ~~some of the other items were~~
16 Ship VOICE: Now, if we can verify the [inaudible], I ^{the sentence}
17 think it would be more appropriate to ^{say since March the 20th} [inaudible] ~~John~~
18 ^{John} ~~that's what we're~~ ^{going to go and either verify it or take these numbers out,}
19 and take out the wording that says there are no ^{problems or} failures ^{failures}
20 ~~no failures and no problems.~~ [Inaudible.]
21 Fredrick VOICE: ^{I think what caught his attention} ~~the [inaudible] on the number~~
22 of starts ^{WAS} when they tallied them up in front of the NRC,
23 they ^{RE} were a different number. One came out 20, and
24 [Inaudible.]
25 Ship VOICE: Yeah, but we've started them a dozen times

(M. Hunt)
Chatter team had questioned
the start date in COA
and couldn't figure how we counted starts.
