Mr. Tran,

This letter is in response to your email of March 19, 2020. We no longer have Ni-63 sources under this license. We have two 15 mCi Ni-63 sources that we handle as generally licensed sources. The lost source (U2802) was in a device that was at the time under License No. 24-02564-02. Please let me know if you need further information.

Thank you,
