Subject: Amendment request

Discussion: I spoke with Mr. Henry regarding the licensee's amendment request to add a new authorized user. Specifically, the amendment request included an eligibility letter for the proposed authorized user but did not include a copy of the proposed authorized user's board certification. I requested that the licensee submit a copy of the proposed authorized user's board certification. Mr. Henry stated he will contact the physician to request a copy of the board certification.

Action Required: Mr. Henry to request a copy of the board certification from the proposed authorized user and provide a copy by email to NRC.
