The parties propose to submit a proposed order for hearing on "Group II-B" issues within approximately one week of the March 21 submission of testimony on those issues.

In addition, the parties propose to the Board that cross-examination plans for Group II issues be submitted on a rolling basis, with plans for the first two clusters of issues (Contention 26, and Contentions 55-59, 24.T (SC only), and 20) being due on March 16, and cross-examination plans for remaining clusters being due three days before the start of trial on the first issue in the cluster, making necessary allowances for the unpredictability of the pace of litigation.

I am authorized to state that counsel for all parties concur in the proposals contained in this letter.

Sincerely yours,

A handwritten signature in cursive script, reading "Donald P. Irwin /LBI".
