Subject: Proposed Guidelines for the 1983 Comanche Peak Steam Electric  
Station Emergency Preparedness Field Exercise

Dear Mr. Madsen:

Please find attached for your review a copy of the proposed guidelines for the 1983 Emergency Preparedness Field Exercise, which is scheduled to be conducted at the Comanche Peak Steam Electric Station (CPSES) on December 14, 1983. Also attached for your use are the previously agreed to exercise objectives which were transmitted to you on May 5, 1983. Since TUGCo is required to submit the exercise objectives and guidelines to the Federal Emergency Management Agency and the Nuclear Regulatory Commission 75 days prior to the conduct of the Field Exercise, we respectfully request that any comments you may have be provided to us no later than Friday, September 23, 1983.
