Docket No. 50-382
Supplemental Response to Emergency Preparedness
Appraisal Report 50-382/83-08

REFERENCES: LP&L Letter W3P83-2529 dated July 29, 1983
LP&L Letter W3P83-3356 dated October 18, 1983

Dear Mr. Johnson:

The above referenced letters transmitted LP&L's response and supplemental response to the Waterford 3 Emergency Preparedness Appraisal which was conducted by your office during the period of February 22 through March 4, 1983. The purpose of this letter is to provide the current status of actions being taken by LP&L in response to the findings of that appraisal. Attachment I to this letter provides a list of those Emergency Preparedness Appraisal items for which corrective actions have been completed and the corresponding completion dates. Attachment II provides projected completion dates related to those items for which corrective actions are underway. Attachment III contains a list of only those appraisal items for which our original responses have been revised to reflect the projected completion dates set forth in Attachment II.

If you have any questions, please advise.

Very truly yours,

K. W. Cook
Nuclear Support & Licensing Manager
