SUPPLEMENTAL AFFIDAVIT OF F. SCOTT GIACOBEE

F. SCOTT GIACOBEE, being duly sworn according to law, deposes and states as follows:

1. The purpose of this supplemental affidavit is to clarify a potentially misleading statement in my affidavit of February 23, 1984.

2. Near the end of paragraph seven on page three of my affidavit, I stated that "sulfur and chlorine are contaminants which are known to cause IGSAC." In the context in which it was written, the statement might be construed as suggesting chlorine was a contaminant causing IGSAC of Inconel 600. While chlorine does have that effect on sensitized austenitic stainless steel, I did not mean to suggest that it would cause IGSAC of Inconel 600.

In fact, my affidavit shows chlorine does not have such an effect on Inconel 600 even in the presence of sulfur.
