Subject: Waterford 3 SES  
Docket No. 50-382  
License No. NPF-38  
Proposed Revision to the Physical Security Plan  
Concerning Alternative Compensatory Measures

Gentlemen:

By letter dated February 2, 1995, the Staff documented their review of changes to the Waterford 3 Steam Electric Station Physical Security Plan (PSP). The Staff approved these changes contingent upon specified stipulations and requested page change revisions to the Waterford 3 Steam Electric Station Physical Security Plan.

Attached please find a description of the proposed PSP changes which addresses the specified stipulations and specific page change revisions to the Waterford 3 SES PSP.
