**Subject: Beaver Valley Power Station, Unit No. 1
Docket No. 50-334, License No. DPR-66
Status of Licensed Operator**

This letter is to notify you of a change in status of a licensed operator in accordance with the requirements of 10CFR50.74 and 10CFR55.25. Mr. James A. Upvall (License SOP-10096-2 Limited to Fuel Handling, Docket 55-60086) has been determined to not meet the requirements of 10CFR55.53. Mr. Upvall was not assigned to licensed duties at the time he was determined to be in violation of the requirements (i.e., not assigned to fuel handling activities).

Mr. Upvall is no longer employed with Duquesne Light Company, and therefore no longer has a need for the SRO Fuel Handling License. Duquesne Light Company formally requests that Mr. Upvall's license be withdrawn.

Should you have any questions concerning this formal request for license withdrawal, please contact Mr. T. W. Burns, Director-Operations Training, at (412) 393-5711.

Sincerely,

J. D. Sieber
