Gentlemen,

Subject: Saxton Nuclear Experimental Corporation
Operating License No. DPR-4
Docket No. 50-146
Newly Named Saxton Officers

The purpose of this letter is to inform you of recent action by the SNEC Board of Directors to name Fred D. Hafer to the position of SNEC President as my replacement and George A. Kuehn Jr. to the position of SNEC Vice President and General Manager replacing Beverly A. Good.

A new position, Executive Vice President SNEC which will be filled by Dr. Robert L. Long, has been established to focus management of upcoming decommissioning activities at an appropriate level. This new position will be effective upon approval of Technical Specification Change Request Number 56 as amended and submitted on June 27, 1995.

We request that all future correspondence regarding SNEC be addressed to George A. Kuehn, SNEC Vice President with copies to Jack Wetmore, GPUN, Manager of TMI Regulatory Affairs.

I would like to thank you for your efforts in support of activities in regards to the Saxton Facility during my tenure as President SNEC.

Sincerely,

/s/ J. E. Hildebrand
