In the Matter of
Philadelphia Electric Company
(Limerick Generating Station, Units 1 and 2)
Docket Nos. 50-352, 50-353

Dear Administrative Judges:

The Radiological Emergency Response Plan for the Pennhurst Mental Retardation Center in East Vincent Township, Chester County, was still under development when other off-site plans for response to an incident at the Limerick Generating Station were submitted to the Board, the intervenors and the City of Philadelphia in December 1983.

As indicated in our December 6, 1983 transmittal letter, the Pennhurst Plan still required some changes and updating by the Pennsylvania Department of Public Welfare. These changes have now been completed and copies of the Pennhurst Plan, dated January 1984, are hereby being submitted in accordance with the attached list.

Sincerely,

Adolph L. Bolser
