Acknowledgement cover letters to Unresolved Questions #47 and 48 for PQCI C-1.60 Rev. 7 stated receipt but not concurrence of the resolutions for the individuals below. Following discussions on February 29, 1984 between MAStark and EMDahms and GWWarren, JLWyatt and EMDahms on March 1, 1984, it was agreed that concurrence does exist for the resolution to Unresolved Question #47 based on the response submitted with additional clarification. The response to question #48, however, did not adequately address their concerns. Since that time, they have received clarification of their concerns through other responsible personnel.

Based on the above information, it was agreed that their concerns were resolved though not through the original response. Their signatures below indicate resolution of their concerns stated on Unresolved Questions #47 and 48 on PQCI C-1.60 Rev. 7 Training.
