TRANSCO Affidavit

Transco Products Inc.

AFFIDAVIT

I, Karen Coyle, being duly sworn, depose and state as follows:

- (1) I am Assistant Vice President of Transco Products, Inc. (Transco) and have reviewed the confidential commercial information described in TIQAP 9.20 LS, which is sought to be withheld, and am applying for its withholding.
- (2) The information sought to be withheld was developed for ComEd, pertaining directly to the resolution of the Thermo-Lag issue at LaSalle Co. Station. Transco is the owner of the confidential commercial information. Specifically this information is installation procedure TIQAP 9.20 LS.
- (3) In making this application for withholding of such confidential commercial information, Transco relies upon the exemption from disclosure set forth in the Freedom of Information Act (FOIA), 5 USC § 552 (b) (4), and NRC Regulations 10 CFR §§ 9.17 (a) (4), and 2.790 (a) (4) for "commercial or financial information obtained from a person and privileged or confidential" (Exemption 4). The confidential commercial information should be withheld from disclosure under 10 CFR § 2.790 (b) (4) for the following reasons:
 - (a) The information marked Proprietary or Confidential and is of a sort customarily held in confidence by Transco. Access to such documents within Transco is limited on a "need to know" basis. Disclosures outside Transco are limited to regulatory bodies, Test Program Utility Participants (under restrictions that preclude further disclosure), their agents or licensees, and others with a legitimate need for the information, and then only in accordance with appropriate regulatory provisions or proprietary agreements, as authorized under contract by ComEd;
 - (b) The information has, to the best of my knowledge consistently been held in confidence by Transco and ComEd, and has not been publicly disclosed. All disclosures to third parties including any required transmittals to NRC, have been made, or must be made, pursuant to regulatory provisions or under restrictions as described above.
 - (c) The information sought to be withheld is being submitted to the NRC in confidence; and

(d) The information is not available in public sources.
