APPLICANTS' RESPONSE TO
WELLS EDDLEMAN'S REQUEST FOR PRODUCTION OF DOCUMENTS
(CONTENTION 65)

Pursuant to 10 C.F.R. § 2.741(d), Applicants hereby respond to Wells Eddleman's Request for Production of Documents as contained in Wells Eddleman's General Interrogatories and Interrogatories on Contention 65 to Applicants Carolina Power & Light, et al. (Seventh Set) by stating that the documents identified on the attached Document List will be made available to Mr. Eddleman for inspection and copying in the following manner:

The requested documents are available now at the corporate offices of Carolina Power & Light Company, 411 Fayetteville Street Mall, Raleigh, North Carolina 27602, during Carolina Power & Light Company business hours (or such other mutually agreeable time). Appointments to inspect the documents may be arranged by telephoning Hill Carrow at 836-6839. Since the Licensing Board directed that any problems with these discovery responses be negotiated by April 6, you should conduct your inspection promptly.

Inspected documents which Mr. Eddleman wishes to have copied will be reproduced by Carolina Power & Light Company on a schedule compatible with other demands for duplicating equipment. A Carolina Power & Light Company employee will be available during the inspection in order to receive any requests for copying. Copies of such selected documents will then be furnished to Mr. Eddleman upon payment of 7 cents per page, to meet Carolina Power & Light Company's cost of reproduction.
