File: GOVT 1-1 (NRC)

Dear Mr. Eisenhower:

Your August 11, 1981 letter requested that we provide quarterly updates of our construction completion date for Limerick Unit 1.

August 1, 1984 is our current construction completion date. As reported in our December 27, 1983 letter, we are reviewing the possibility of advancing this date and will advise you if our review indicates such an advance is feasible.

Sincerely,

John S. Kemper
