Dear Sir:

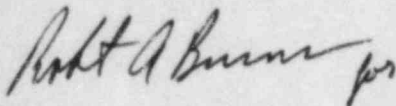

In response to Generic Letter No. 82-33 (Reference 1), the Authority submitted a detailed control room design review program plan for the James A. FitzPatrick Nuclear Power Plant (Reference 2).

In that letter we committed to submit a summary report by November 15, 1985. The Authority hereby amends that commitment to include the submittal of a schedule for implementing the recommendations of the final summary report. This implementation schedule will also be submitted by November 15, 1985.
