Janice Stevens, Project Manager
U.S. Nuclear Regulatory Commission
Washington, D.C. 20555

Dear Ms. Stevens:

Please find a copy of the Will County Public Water Supply Study (Phase I), as requested by Mr. John Lehr. This information has been provided to assist him in preparation of the Final Environmental Statement for the Braidwood Power Station in Will County, Illinois.

Thank you for your response to our comments. Feel free to contact us if additional information is required.

Sincerely,

Paul Pasmussen, Administrator
Plans & Programs Division
