Mr. Harold R. Denton
Director of Nuclear Reactor Regulation
U.S. Nuclear Regulatory Commission
Washington, D.C. 20555

Dear Mr. Denton

In accordance with our earlier discussions, relocations to the Shoreham Plant site of all nuclear resources including Office of the Vice President-Nuclear, the Nuclear Engineering Department, and the Nuclear Operations Support Department will become effective April 2, 1984.

It is requested that you address all future correspondence to the appropriate LILCO personnel to:

(Addressee)
Long Island Lighting Co.
P. O. Box 618
Shoreham Nuclear Power Station
Wading River, New York 11792

The Office of Vice President-Nuclear and the Nuclear Engineering Department may be reached by calling the main switchboard number (516) 929-8300 and the Nuclear Operations Support Department may be reached on switchboard number (516) 929-6700.

Please advise all appropriate personnel within your organization of this location change.

Very truly yours,

M. S. Pollock
Vice President-Nuclear
