TMIA MOTION FOR EXTENSION OF TIME

TMIA hereby requests until April 3, 1984 to file its response to Licensee and Staff motion for summary disposition, due by previous order of the Board on March 30, 1984

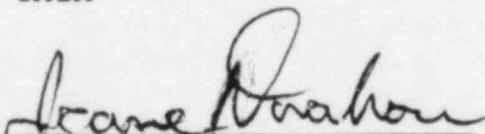

TMIA requests this extension of time because of the illness of TMIA intervenor Joanne Doroshow, causing her to be taken to the hospital late last week. Further, it was necessary to delay completion of TMIA's response until the due date because Dr. George Sih, of Lehigh University, was unable to forward comments to assist TMIA in responding to these motions until March 27, received by TMIA on March 28. See Attachment.

TMIA has contacted all parties in this proceeding, and there are no objections to this motion.

Respectfully submitted,

TMIA
