AFFIDAVIT OF FRANK LYAUTEY

STATE OF CALIFORNIA	)	
COUNTY OF	)	ss.
SAN LUIS OBISPO	)	

I, Frank Lyautey, being duly sworn, depose and say:

I am currently employed by Pullman Power Products, as Assistant Field QA/QC Manager. I am submitting this affidavit to respond to a false allegation made in the motion by Joint Intervenors.

1. Allegation #6, states that I informed a representative of the United States Nuclear Regulatory Commission that Mr. Steve Lockert quit his job with Pullman Power Products. This allegation is untrue.

2. In January, 1984, Mr. Dennis Kirsch of the NRC asked to see Mr. Lockert's DCN log. I told him that the log was in my office since Mr. Lockert had been terminated. The statement was made in an open room with a number of other individuals present. There is no reason that I would say he had quit as his termination was common knowledge.
3. I do not recall any other time when I even spoke to the NRC about Mr. Lockert in front of other people. In any event, I never informed anyone that Mr. Lockert resigned or quit.
