Re: Kansas Gas and Electric Company, et al.  
(Wolf Creek Generating Station, Unit 1)  
Docket No. STN 50-482

Gentlemen:

Enclosed is an affidavit by Mr. Carroll M. Wilcox, Coffey County Emergency Preparedness Coordinator. The affidavit identifies an additional private school and an additional day care center beyond the four discussed during the evidentiary hearing. For the reasons explained in Mr. Wilcox' affidavit, these additional facilities do not affect the ability to evacuate the plume exposure pathway EPZ within 2-1/2 hours.

Very truly yours,
