In the Matter of
Philadelphia Electric Company
(Limerick Generating Station, Units 1 and 2)
Docket Nos. 50-352 and 50-353

Dear Ms. Bush:

Pursuant to your request for informal discovery related to the admitted severe accident contentions, this letter will confirm that the requested Computer File No. 27 of the CRAC-II Code related to Limerick Generating Station meteorological data, will be forwarded to your consultant, Mr. Finlayson, as soon as it is copied.

You also indicated that Mr. Finlayson will be unavailable for an extended period in April. In order that information obtained during his deposition may be used in the preparation of testimony, I would appreciate your determining his availability over the next several weeks. The same information concerning Mr. Minor, your other designated witness, would also be appreciated.

Sincerely,

Mark J. Wetterhahn
