Re: Duke Power Company, et al.
(Catawba Nuclear Station, Units 1 and 2)
Docket Nos. 50-414 and 50-415

Gentlemen:

I am attaching to this letter the Affidavit of Warren H. Owen which reflects a revised fuel load for Catawba Nuclear Station. This updates Mr. Owen's affidavit of January 18, 1984 (attached to Applicants' motion to bifurcate the proceeding of that date) and reflects a slippage of 24 days in the fuel load date in the earlier affidavit.

Sincerely yours,

Albert V. Carr, Jr.
