SUBJECT: Exercise Report of the May 16, 1984, Joint Exercise
of the Offsite Radiological Emergency Preparedness
Plans for the WNP-2 Nuclear Power Plant

Attached are two copies of the Exercise Report of the May 16, 1984, full participation joint exercise of the offsite radiological emergency preparedness plans for the WNP-2 Nuclear Power Plant, Richland, Washington. The participants were the State of Washington, Benton County, Franklin County and the Washington Public Power Supply System. The June 15, 1984, report was prepared by Region X of the Federal Emergency Management Agency (FEMA) and reflects the comments resulting from the Regional Assistance Committee review.

FEMA Region X will furnish a copy of this report to the State of Washington and will request a schedule of actions for the correction of deficiencies. As soon as we receive and analyze the State's response, we will send you our determinations. If you have any questions, please contact Mr. Robert S. Wilkerson, Chief, Technological Hazards Division, at 287-0200.
