Subject: Submittal of Ferri 2 Safeguards  
Contingency Plan (Revision 6)

In accordance with 10CFR50.54(p)(2), Detroit Edison hereby submits the Ferri 2 Safeguards Contingency Plan (Revision 6). Only the affected page (Appendix A, page A-1) is submitted. Changes to the text are highlighted (shaded).

The enclosed plan change is required to reflect the closure of the Michigan State Police post which was explicitly referenced in Appendix A. The plan has been rewritten in such a way that subsequent Michigan State Police post location changes will not require a plan change unless the associated response time also changes. The changes made under this revision do not decrease the effectiveness of the Safeguards Contingency Plan.

If you have any questions regarding this submittal, please contact Mr. Joseph H. Korte, Deputy Director, Nuclear Security at (313) 586-4949.

Sincerely,

*William S. Orser*
