Question 7

(Enclosure two (2), item six (6) of Reference one (1) states: Training Plan with operating crews. All operators will be exposed to Shift Advisor Position Description via required reading list in accordance with Operator Requalification Training Procedure.)

When will this be completed?

Response 7

This action will be completed prior to exceeding 5% power.

Question 8

(Enclosure two (2), item eight (8) of Reference one (1) states: Since all Shift Advisors are direct LP&L employees, their performance will be monitored in accordance with normal company policies and procedures.)

How do you monitor their performance and how often are they evaluated?

Response 8

Attachment five (5) (form 560) will be used for monitoring the performance of all salaried employees. Also item 1.I of Position Description (attachment 2) indicates that the performance of each SEP/SA on shift will be evaluated monthly.

We understand that this information is acceptable to the NRC.

Should you have any questions regarding this matter, please call me or Ross Barkhurst at (504) 464-3120.

Very truly yours,

K.W. Cook
Nuclear Support & Licensing Manager
