OF MANVILLE INSULATION  
QA FILE: CP-84-15, SDAR-139  
FILE NO.: 10110

Dear Mr. Johnson,

On June 12, 1984 we verbally contacted your Mr. D. Hunnicutt of a deficiency regarding floride content of Manville insulation.

We have completed our investigation and concluded that the matter is not reportable under 10CFR50.55(e). Records supporting this determination are available for your inspector's review at the CPSES site.

Very truly yours,
