Re: Gas leak(s) at OYSTER CREEK Nuclear Generating
Station, Lacey Township, New Jersey - on June 6, 1983
(GPU Nuclear; Jersey Central Power & Light Co.)

Gentlemen:

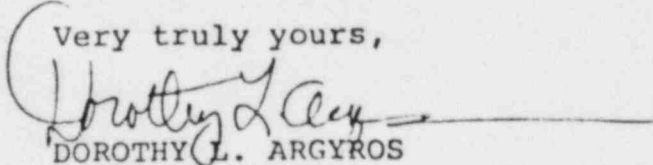

On behalf of a client injured by gas leakage at the Oyster Creek Nuclear Generating Station, Lacey Township, New Jersey, on or about June 6, 1983, we hereby request, under the provisions of the Freedom of Information Act, copies of any and all documents filed with any government agency in connection with the leakage. This includes but is not limited to the following:

- (1) Preliminary Notification Report, which we understand is numbered PNO #1-83-56;
- (2) Regional Inspection Report, which we understand is numbered #50-219/83-14 (and particularly paragraph 10.2 of that report, although the whole report is needed);
- (3) OSHA report, if possible.

We would appreciate your responding to this request within the time limits specified in the Freedom of Information Act.

Kindly advise if any fees are due and we will forward a check promptly.

Very truly yours,

DOROTHY L. ARGYROS
