Docket No. 52-002

Mr. Gary G. Zech, Chief
Performance and Quality Evaluation Branch
U.S. Nuclear Regulatory Commission
Attn: Document Control Desk
Washington, DC 20555

Subject: Transmittal of Topical Report CENPD-210, Revision 7

Dear Mr. Zech:

The purpose of this letter is to inform you of a revision that has been made to the Quality Assurance Program Topical Report CENPD-210A, Revision 6. The revision reflects organizational changes made recently. These changes do not reduce our previously accepted commitments to quality, and therefore we are transmitting CENPD-210, Revision 7 to comply with the intent of the reporting standards of 10CFR50.55(f)(3).

Enclosure I contains the revised report. Enclosure II contains a marked-up copy of Revision 6 with highlighted areas indicating added/revised text and lined-out areas indicating deleted text.

If you have any questions regarding this matter, please do not hesitate to call me or Mr. John Pasquenza at (203) 285-2696.

Very truly yours,

COMBUSTION ENGINEERING, INC.

C. B. Brinkman
Acting Director
Nuclear Systems Licensing
