RE: Special Report for the Penn State Breazeale Reactor, License No R-2, Docket
No. 50-05

Dear Sir or Madame:

Technical Specification 6.6.2. b. (1) of the Penn State Breazeale Reactor license referenced above requires a report of permanent changes in Level 1 and 2 management personnel. Level 1 is defined as the Senior Vice President for Research and Dean of the Graduate School. Effective March 1, 1992, I have been appointed to that position, replacing Dr. Charles L. Hosler upon his retirement. I look forward to serving in this new capacity.

If you have questions on this matter, please feel free to contact me or Dr. Marcus H. Voth, Director of the Radiation Science and Engineering Center (Level 2 Management) at (814) 865-6351.

Sincerely,

David A. Shirley
Senior Vice President for Research
and Dean of Graduate School
