MONTICELLO NUCLEAR GENERATING PLANT E-5979

Docket Number 50-263

Regulatory  
Final Safety Analysis Report

File Cy.

Dear Dr. Morris:

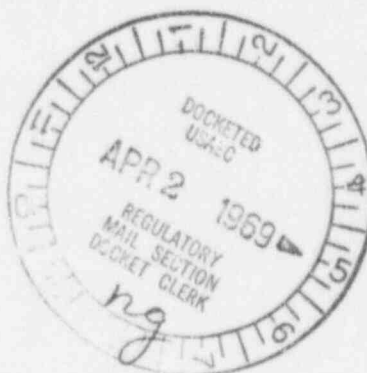

Enclosed are 83 copies of Amendment 13 (Reactor Pressure Vessel Design Report) of the Final Safety Analysis Report for the Monticello Nuclear Generating Plant.

These copies are referenced in Mr. McElroy's letter (Northern States Power Company) to you of April 21, 1969.

Very truly yours,

  
J. B. Violette, Manager  
Monticello Project
