SUBJECT: LaSalle County Station Units 1 & 2
Fire Protection Commitments for
Power Operation

RE: (a) C.W. Schroeder letter to J.G. Keppler
dated December 13, 1983

Dear Mr. Keppler:

Pursuant to the above reference, Commonwealth Edison, LaSalle County Station committed to established various compensatory actions related to the fire water system adequacy and fire detector locations. These measures were to remain in effect until resolution of the concerns was reached with the NRC staff.

In addition, prior to cancellation of any of the compensatory measures, the LaSalle Senior Resident Inspector was to be notified.

The concerns with the adequacy of the fire water system and the smoke detector locations has been resolved with the NRC staff.

The LaSalle Senior Resident Inspector has reviewed the resolution of the concerns and the cancellation of the compensatory measures.
