RELATED CORRESPONDENCE LILCO, May 29, 1984

'84 MAY 31 AIO:10

UNITED STATES OF AMERICA  
NUCLEAR REGULATORY COMMISSION

OFFICE OF SECRETARY  
DOCKETING & SERVICE  
BRANCH

Before the Atomic Safety and Licensing Board

In the Matter of	)	
LONG ISLAND LIGHTING COMPANY	)	
(Shoreham Nuclear Power Station,	)	Docket No. 50-322-OL-3
Unit 1)	)	(Emergency Planning
	)	Proceeding)

ERRATA FOR AND UPDATE OF  
LILCO'S TESTIMONY ON  
CONTENTIONS 24.E, 24.F.2, 24.F.3,  
24.M, 61.C, AND 68-71 (SCHOOLS)

The following changes should be made to "LILCO's Testimony on Contentions 24.E, 24.F.2, 24.F.3, 24.M, 61.C, and 68-71 (Schools)," dated March 21, 1984. When that written testimony is offered into evidence at the hearing, LILCO will also offer this errata sheet.

<u>Testimony</u>	<u>Change</u>
P. 3, Line 8	After "Shoreham" add the following sentence: "After May 31, 1984, I will be employed by the Consolidated Edison Company of New York."
P. 25, after Line 6	Add the following paragraph:  "On March 23, 1984, we were informed that the superintendents wanted to hold further group planning efforts in abeyance. The reasons given were time constraints for the superintendents and their

DS03

staffs and uncertainty about whether Shoreham would operate. If it were clear the plant would operate, we were led to believe, group planning would probably resume. In the absence of group planning, LERIO will continue to pursue planning with the school districts one-by-one."

- P. 39, Line 23      Change "will be" to "has been."
- P. 39, Line 24      Change "BOCES" to "LILCO."
- P. 40, Lines 3-4    Change "the number of bus runs varies" to "the maximum number of runs that any bus must make varies."
- P. 41, last line,  
and Page 42, first  
two lines      Insert a period after "Alert stage" in the last line of page 41 and delete the rest of the sentence (though the word "option" in the second line on page 42).
- P. 50, Line 8      Delete "have agreed to do them" in line 8.
- P. 55, Line 4      Change "433" to "422."
- P. 56, Line 4      Change "an elementary" to "a high."
- P. 56, Line 8      Change "433" to "422."
- P. 56, Line 16      Change "433" to "422."
- P. 57, Line 12      Change "433" to "422."
- P. 57, Line 19      Change "1,300" to "1,236."

P. 58, Lines 4 and 12	Change "970" to "938" both places.
P. 58, Line 9	Change "271" to "298."
P. 65, Lines 5, 6, 10, and 16	Change "Seamans" to "Seaman" wherever it appears.
P. 66, Line 15	Change "26" to "30."

In addition, page 2 of Attachment 25 is missing from the testimony. That page is attached to this pleading.

Respectfully submitted,  
LONG ISLAND LIGHTING COMPANY

BY James N. Christman

DATED: May 29, 1984

- b. Bus company will be notified to immediately send an appropriate number of buses to each school to transport elementary students who live more than one-half mile from the school; Middle School students who live more than one mile from the school; and High School students who live more than one and one-half miles from the school. Middle School and High School students who will not be transported by the buses will be dismissed immediately with instructions to proceed as quickly as possible to their home.
- c. Elementary schools will immediately put into effect the procedure for contacting class mothers who will then contact the parents notifying them of the dismissal and the estimated time of dismissal from the school. No elementary child will be sent home unless parent/guardian or person listed on the emergency card is home in order to receive the children.
- d. The Building Principal will also be responsible to see that school personnel remain until all students have left the school. School personnel may voluntarily provide transportation for those pupils who are kept in school because of the inability to contact the parent/guardian or person listed on the emergency card.
- e. The Building Principal will also be responsible to establish procedure for the dismissal of students who are picked up by private automobile.

PLAN 4 - Nuclear emission from LICO plant

An emergency evacuation plan will be recommended by the District's Emergency Evacuation Committee this fall in the event of possible off-site radiation from the LILCO Shoreham Nuclear Power Plant.
