Gentlemen:

This is to confirm my telephone conversation today with Chairman Bloch granting an extension of time until June 11, 1984, for Applicants to respond to Ohio Citizens for Responsible Energy Twelfth Set of Interrogatories to Applicants, dated May 14, 1984 (served May 15, 1984),

concerning Issue No. 16. The NRC Staff and OCRE did not object to the requested extensions of time.

Because Applicants' answers were not due until June 4, 1984, the extension will not affect the June 1, 1984 extended discovery deadline set by the Licensing Board in its Memorandum and Order (Discovery About Transamerica Delavel Diesels), dated May 8, 1984.

Respectfully submitted,

Michael A. Swiger
