Dear Mr. Smith,

Pursuant to the Nuclear Regulatory Commission's request dated November 26, 2019 and on behalf of the United Nuclear Corporation, attached is a report providing a cost estimate for re-baselining of the financial surety required in License Condition 25 of the license for the Church Rock Site.

Please let me know if you will enter the report into ADAMS. If you have question on the submittal, please contact Lance Hauer (GE).

Thank you,
Melanie
