Docket Nos. 50-369, -370
Physical Security Plan, Rev. 44
Safeguards Contingency Plan, Rev. 7

Gentlemen:

As required by 10 CFR 50.54(p), enclosed are four (4) copies of the McGuire Physical Security Plan (Rev. 44 Additional Pages) and Safeguards Contingency Plan (Rev. 7 Additional Pages). The purpose of these additional pages is minor clarifications of the revisions submitted December 23, 1991. Primarily, this change results in insertion of additional text regarding the Cargo Access Portal and the annual security program audit.

These plan revisions do not decrease the effectiveness of the Physical Security Plan or Safeguards Contingency Plan.

Since this information provides details of the physical protection system at McGuire Nuclear Station, I request that this information be withheld from public disclosure in accordance with 10 CFR 73.21.
