Re: Docket 50-326, License R-116  
Annual Report Submittal, Tech Spec 6.7f

Ladies/Gentlemen:

Please find enclosed three(3) copies of the annual report for the UCI Nuclear Reactor Facility, covering the period July 1st 1994 through June 30th 1995. This report is submitted in accord with license regulations and Technical Specifications as referenced above.

There appears to have been an error with respect to proper distribution of the previous annual report (Period July 1st 1993 through June 30th 1994). Thus copies of this report are also included in order that files can be complete.

Sincerely,

*George E. Miller*
