Re: Docket No. 50-483 OL
Union Electric Company Callaway Plant, Unit 1

Dear Mr. Denton:

It has come to my attention that, under date of May 5, 1984, Union Electric has submitted to you a booklet of papers, approximately 2 1/2 inches thick, entitled "Financial Qualification Information."

On behalf of the joint intervenors, I hereby object to this submission, and further demand an opportunity to present evidence on the subject of financial qualifications on behalf of the joint intervenors, and to cross-examine the Union Electric officials with respect to their submission. Denial of these rights denies due process of law.
