Subject:       Reclassification Of Emergency Implementing Procedures  
                  River Bend Station - Unit 1  
                  Docket No. 50-458

File No.:       G 9.5, G 12.23.2

REG-41862  
RBF1-95-0201

Gentlemen:

We have reviewed several of our Emergency Implementing Procedures (EIPs) and determined that these procedures do not, as such, implement the River Bend Station Emergency Plan. Therefore, the following procedures will no longer be submitted pursuant 10CFR50, Appendix E, but rather reclassified and maintained as Emergency Planning Procedures.

EIP No. / Revision

Title

EIP-2-100, Revision 12	Procedure Review, Revision, and Approval
EIP-2-104, Revision 9	Maintenance of Emergency Telephone Numbers
EIP-2-105, Revision 8	Control of Radiological Monitoring Vehicles

This issue was discussed with Ms. Gail M. Good of your staff on August 23, 1995, and she has agreed with our proposed course of action.
