Dear Mr. Denton:

OPERATIONAL READINESS
CALLAWAY PLANT

The enclosed two-volume report attests to Union Electric's readiness to operate Callaway Plant. I have reviewed these documents with Mr. D. F. Schnell, our Vice President-Nuclear, and am convinced that our staff has the capability to operate Callaway Plant safely and efficiently, in full compliance with the requirements of the Nuclear Regulatory Commission and our operating license commitments.

We at Union Electric recognize that the operation of Callaway Plant involves a heavy responsibility, both to the Company and to the general public. Our dedication to quality performance and management responsiveness during the design and construction of the plant will continue as we assume the responsibilities of operation. I want to assure you of our commitment to excellence in the operation of Callaway Plant. We fully expect its performance to rank among the best in the industry.

Very truly yours,

Earl K. Dille
