U.S. Nuclear Regulatory Commission  
ATTN: Document Control Desk  
Washington, D.C. 20555

Dear Sir or Madam:

I am currently on distribution for carbon copies of all NRC correspondence with the Nebraska Public Power District involving Cooper Nuclear Station (Docket 50-298). Due to a reassignment of job responsibilities within our company, I am requesting that you remove my name from the distribution list and add the following person to distribution in my place:

Richard J. Singer  
Manager-Nuclear  
907 Walnut  
P.O. Box 657  
Des Moines, IA 50303

Please call if you have any questions or require any further information  
(515) 252-6445.

Sincerely,

James C. Parker  
Senior Engineer
