Ref: Catawba Nuclear Station, Draft Emergency Evacuation Time Estimate:

- ✓ Page 5 Do you consider Celanese Corp and Rock Hill Printing and Finishing Company as light industrial plants?
- X Page 38 Do you plan on Tega Cay traffic on 160 to go E or W into N.C.?
- ✓ Page 41 Should NE 47 be NE 49 NB?
- ✓ Page 47 Shut down time for Celriver Plant?
- Page 66 On bus fleet, we need to write plan to reflect the calling of buses from other counties.
- Page 69 Fleet of ambulances (not adequate in EPZ) need to arrange for outside EPZ assistance?
- Page 74 Confirmation, leave mark on house.
- Page 76 Calling for confirmation by phone? Need to arrange and set that up. Phone system won't handle.
