Dear Mr. Carter:

In reply to your letter dated January 31, 1984, I am delighted to be able to respond with a positive opinion of the 1984 edition of the Duke Power Emergency Plan booklet. It is suitable for readers of many levels and accomplishes what you set out to do originally. The changes and additions are appropriate.

Thank you for the opportunity to assist in the review and revision of this product.

Sincerely,

Susanna V. Duckworth
