**RE: Request for Termination of Certificate NR-0122-D-101-B and NR-0122-D-103-B**

To whom it may concern,

The manufacturer BST ProControl GmbH stopped selling device MK 1.0 and MK 2.0 and betacontrol of America is ceasing all operation.

We hereby request the termination of certificates NR-0122-D-101-B and NR-0122-D-103-B

No radioactive materials have ever been procured or possessed by the license under this license at this location Towaco, NJ. All gauges (including devices) were shipped directly to the customer sites from an overseas, and you installed and services only at these locations.

94 products have been sold of which 62 are still in use.

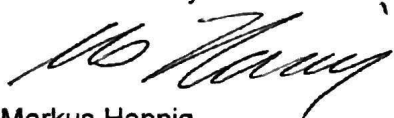

Betacontrol of America, Inc. will not provide any licensed services including source replacement and to the best of my knowledge no other entity has been identified for provide such services.

Betacontrol of America, Inc. will no longer commercially distribute the product.

No changes were made to the product since its initial registration or last amendment.

Please do not hesitate to call me, if you have any questions.

Yours Sincerely

Markus Hannig  
betacontrol of America, Inc.
