A. Schwencer, Chief
Licensing Branch No. 2
Division of Licensing
U.S. Nuclear Regulatory Commission
Washington, D.C. 20555

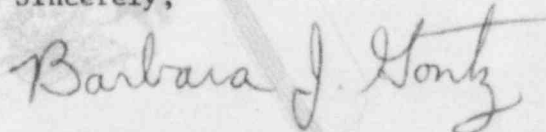

Dear Mr. Schwencer:

Subject: Issuance of the Final Environmental Statement-
Limerick Generating Station, Units 1 and 2

Pennsylvania's Single Point of Contact under Executive Order 12372 (Intergovernmental Review of Federal Programs) has received copies of the Final Environmental Statement-Limerick Generating Station, Units 1 and 2. We forwarded a copy to the Pennsylvania Department of Environmental Resources for review and comment. We received the enclosed comments from DER and are forwarding them to you for your consideration.

We appreciate the opportunity to review this document.

Sincerely,

Barbara J. Gontz
Project Coordinator
Intergovernmental Review Process

DEPARTMENT OF ENVIRONMENTAL RESOURCES

June 8, 1984

SUBJECT: Final Environmental Impact Statement
Limerick Generating Station, Units 1 and 2
Montgomery County

TO: Barbara J. Gontz
Pennsylvania Intergovernmental Council

FROM: Richard J. Pastor, Director
Secretary's Office of Policy
Department of Environmental Resources

The Department of Environmental Resources has reviewed the above subject and has the following comments.

On page 4-20, Section 4.3.1.1.1, #2 - The Blue Marsh flood control storage given in m^3 should be changed from 28.2×10^6 to 39.95×10^6 to complement the revised flood storage value of 32,390 acre-feet.

Activities addressed in this project are subject to regulation under the Dam Safety and Encroachments Act and will require a written permit from the Department of Environmental Resources. Environmental impact reviews on the proposed project will be conducted upon receipt of completed permit application. Any wetland that might be impacted by the proposed project will also be reviewed to fulfill the requirements of Chapter 105, Rules and Regulations.
