Dear Ms. Adensam:

In the Matter of
Tennessee Valley Authority

) Docket Nos. 50-327
) 50-328

Enclosed is our response to your March 30, 1983 letter to H. G. Parris, which requested TVA to participate in a data collection program. This data collection program at Sequoyah was to support the previously approved license amendment related to changes in the surveillance frequency for reactor trip and engineered safety feature actuation systems. As requested by your letter, this data is for a one-year period.

If you have any questions concerning this matter, please get in touch with Jerry Wills at FTS 858-2683.

Very truly yours,
