Dear Mr. Miller:

License Amendment Application
for Reactor Vessel Surveillance
Capsule Removal Schedule

In response to your letter dated May 4, 1984, the attached information is provided as an amendment to the District's Application for Amendment of Operating License dated October 3, 1983 and supplemented by a letter dated January 27, 1984. Attachment A contains the proposed Technical Specifications wording and supporting revised tables. Attachment B contains the discussion, justification, and significant hazards consideration for the proposed revisions. These revisions replace only those pages which were changed from the original submittal.

Sincerely,
