- Reference: 1) Letter from J. D. Weaver to B. L. Siegel dated July 28, 1983, (LQA8300178) "Revised Response to NUREG-0737, Supplement 1, Emergency Response Capability"
- 2) Letter from J. M. Pilant to D. G. Eisenhut dated April 15, 1983, (LQA8300129) "Response to NUREG-0737, Supplement 1"

Dear Mr. Eisenhut:

Subject: NUREG-0737, Supplement 1 - Upgrade of Emergency Operating Procedures - Submittal of Procedures Generation Package

In accordance with the requirements of NUREG-0737, Supplement 1, and the District's commitments made in References 1 and 2, enclosed is the Procedures Generation Package relating to the Upgrade of Emergency Operating Procedures at Cooper Nuclear Station.

It should be recognized that the enclosed document is subject to modification as experience is gained in drafting the Emergency Operating Procedures.

If you have any questions relating to this effort at CNS, please contact me.

Sincerely,

A handwritten signature in cursive script, reading "Jay M. Pilant".
